

Dear Valued Patient,

We are writing to share an important update regarding your care at Frisco Center for Internal Medicine. Dr. Maria-Raquel Weaver will be leaving the practice, and her last day seeing patients will be October 30, 2026.

A Message from Dr. Weaver

"Caring for you has been one of the greatest privileges of my life. With a mix of deep gratitude and sadness, I'm writing to share that I will be leaving my practice at Frisco Center for Internal Medicine.

I love my patients and my community deeply. Partnering with you to manage your health, celebrating your victories, and navigating difficult moments together has made my time here incredibly fulfilling. Please know that even though I am moving on to my next chapter, your health, safety, and well-being remain my absolute highest priorities during this transition."

If you would like to continue your care with Frisco Center for Internal Medicine, we are pleased to welcome Dr. Yvonne Covin, who will begin seeing patients at our practice on November 16, 2026. Dr. Weaver's patients are welcome to transition their care to Dr. Covin.

If you prefer to continue your care with another healthcare provider, you may request a copy of your medical records or have them sent to your new provider by submitting a request through Lexa Records: <https://lexarecords.com/submit-your-request/>

Our team will contact patients scheduled for a future appointment with Dr. Weaver to transition that appointment to Dr. Covin. You may also contact our office at any time to schedule, reschedule, or discuss your upcoming care.

We sincerely appreciate the trust you have placed in Frisco Center for Internal Medicine and our team. It is our privilege to care for you, and we hope to continue being a part of your healthcare for many years to come.

If you have any questions about this transition, please do not hesitate to contact our office. We are happy to help.

Warmly,

Dr. Neela Shah
Dr. Maria-Raquel Weaver
Dr. Yvonne N. Covin
